Message from SA Board

Our school has experienced a significant uptick in academic performance across various grade levels and subjects in the past three years as shown above. Our dedicated administration team and teachers remain resolute in elevating educational standards, and we are committed to delivering top-notch education. Nevertheless, we recognize that there are areas where improvement is needed. We pledge to work closely with our administration team to identify and address these areas, ensuring that we continue on our path of continuous improvement and excellence.
