Sunrise Academy OST Analysis and Goals for 2026–2027

The three-year OST results (2023–2026) demonstrate Sunrise Academy's strong academic performance, frequently exceeding Ohio state averages and surrounding school districts. However, certain areas require targeted improvement.

Subject	2025–2026 Performance	2026–2027 Goals
ELA	Strong performance (80%–100%). Significant improvement in Grades 7, 8, and HS ELA II.	Achieve **at least 90%** proficiency across all tested grades.
Mathematics	Strong in Grades 4 and 7. Significant concerns in Grade 8 (12%) and Grade 6 (67%).	Achieve **at least 80%** across tested grades, with an initial recovery target of **50% for Grade 8.**
Science	Strong Grade 5 results (84%). Improvement needed in Grade 8 (59%) and Biology (69%).	Reach **90% in Grade 5**, **75% in Grade 8,** and **80% in Biology**.
Social Studies	Outstanding US History (100%) and strong US Government (86%).	Maintain **at least 95%** proficiency in both subjects.

Action Plan for 2026–2027

- Analyze OST and MAP data to identify learning gaps.
- Implement targeted intervention and differentiated instruction.
- Monitor student growth through fall, winter, and sComparisonComparison Togetherpring MAP assessments.
- Strengthen instructional practices through teacher collaboration and professional development.
- Review student progress regularly and adjust action plans.

Overall Goal: By May 2027, Sunrise Academy will maintain its academic strengths, close achievement gaps in Mathematics and Science, and improve student proficiency through data-driven instruction and continuous monitoring.
