Tuition Rates

Tuition payments for the school year will begin in July of each year and end in June of each year (12month payment plan). We will only accept the Electric Funds Transfer (EFT) payment option. Tuition payments will be directly withdrawn from either your checking or savings account. Tuition withdrawals will occur on the 5th of each month. Enrollment in this program is mandatory, with no exceptions.

Your first payment for the school year will be due in July of every year.

Elementary and Middle School Tuition Fee (Kindergarten through 8th grade)	**$6,165 annual** Must be paid through automatic monthly withdrawal. Tuition will be prorated based upon the number of school days left in the year, if the student begins school after the first day.
High School Tuition Fee	**$8,407 annual** Must be paid through automatic monthly withdrawal. Tuition will be prorated based upon the number of school days left in the year, if the student begins school after the first day.
